

Pennridge
Gallery of the Arts

Sunday, September 17th, 2023 • 12-5 PM • Main Street, Sellersville

The Pennridge Gallery of the Arts will be celebrating its 55th anniversary this year! In the past few years, this event has made a great leap in artist and community engagement thanks to our Chairperson, Kylie Adams-Weiss, and we expect to continue that trend in 2023! We expect an exceptional group of artists to be displaying their work on Main Street, including a featured artist exhibition at BuxMont Awards.

As a strong community partner, we ask for your support of local event in 2023; in our 55th year, we continue to stay true to the mission of this event, highlighting and celebrating the creative arts and their positive impact on our community. Our committee is volunteer-led and sponsors make the event possible by contributing to the costs of event insurance and expenses, advertising, entertainment and juried art awards. ***Thank you again from all of us on the Gallery committee for your support of the Fine Arts in Sellersville, PA!***

Audience/Exposure: 100+ Artists, Crafters, and Food Vendors, 1500+ attendees from the Sellersville area community, in addition to other local residents, families, and more!
